Explanatory Notes to Ordinary Resolution 6

The Company is actively looking into prospective areas to broaden its operating base and earning potential of the Company which may involve the issue of new shares. In order to avoid any delay and costs involved in convening a general meeting of the Company to approve such issue of shares, the proposed adoption of Ordinary Resolution 6 is to empower the Directors of the Company to issue and allot shares up to an amount not exceeding in total 10% of the issued share capital of the Company for the time being for such purpose. This authority, unless revoked or varied at a general meeting, will expire at the next Annual General Meeting of the Company.

The General Mandate sought for issue of shares up to 10% of the issued capital of the Company is a renewal to the General Mandate which was approved by shareholders at the last Annual General Meeting held on 21 December 2010. As at the date of this Notice, the Company has not issued any new shares under this General Mandate which will lapse at the conclusion of the Annual General Meeting.

The renewal of the General Mandate will provide flexibility to the Company for any possible fund raising activities including but not limited to issuance of new shares for funding investment project(s), working capital and/or acquisitions.

Explanatory Notes to Ordinary Resolution 7

The proposed Ordinary Resolution 7 if passed will empower the Directors to purchase the Company's shares of up to 10% of the issued and paid-up capital of the Company by utilising the funds allocated out of the share premium account and/or retained profit of the Company. This authority, unless revoked or varied at a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company. For further information on the Proposed Share Buy-Back, kindly refer to the Statement in Relation to the Proposed Renewal of Authority to Purchase its Own Shares by the Company on Page 147 to 156 of the Annual Report 2011.
